600 HOUR JOURNEYMAN ELECTRICIAN CERTIFICATE PROGRAM

This certificate program is intended for the beginner who has no formal training in electrical theory or code. These courses cover the different concepts relating to electrical theory and code and provide many practical examples of the common tasks the electrician must perform. This program meets the Commonwealth of Massachusetts Board of Examiners of Electricians requirement of the completion of 600 hours of approved education in order to be eligible to sit for the Journeyman Electrician licensing Exam.

This is a four course program.

150-hrs each

Journeyman Electrician One

Monday 5pm—10pm 34 weeks

Journeyman Electrician Two

Tuesday 5pm—10pm 34 weeks

Journeyman Electrician Three

Wednesday 5pm—10pm 34 weeks

Journeyman Electrician Four

Thursday 5pm—10pm 34 weeks

**Semesters begin September 2024
& January 2025**

\$2,350.00 (plus books) PER 150-hr course
Discounts and Payment Plan Available

JOURNEYMAN ELECTRICIAN EXAM PREPARATION COURSE

A review of the Massachusetts Electrical Code and electrical theory. This course is intended to prepare the student to take the Journeyman Electrician licensing exam.

Mon & Wed 6pm—10pm 9 weeks

March 2025:

Tue & Thu 6pm—10pm 9 weeks

Cost: \$850.00 (plus books)

150 HOUR MASTER ELECTRICIAN LICENSE CERTIFICATE COURSE

This certificate course is designed for the licensed journeyman electrician who desires to sit for the Master Electrician licensing exam. It includes an in depth coverage of the National Electrical code and Massachusetts amendments, advanced electrical theory, and the Business/Law manual. This course meets the Commonwealth of Massachusetts Board of Examiners of Electricians requirement of the completion of 150 hours of approved education in order to be eligible to sit for the Master Electrician licensing exam.

Courses meet:

September 2024

Tue & Thu 6pm—10pm 21-weeks

January 2025

Mon & Wed 6pm—10pm 21-weeks

Courses begin September 2024

& January 2025

\$2,350.00 (plus books)

Discounts and Payment Plan Available

75 HR MOTORS & CONTROLS COURSE

This course covers the key aspects of the following:

- * **Types of motors and application**
 - * **Basic Control Circuits:** two-wire circuits, three-wire circuits, push-button circuits, multiple push-button circuits, hand-off-auto circuits, forward-reverse interlocking circuits, sequence control circuits, time-delay start circuits, jogging circuits and multi-speed control circuits
 - * **Circuit layout, connections, and symbols**
 - * **Control Pilot Devices:** pressure switches and regulators, float switches, flow switches, limit and proximity switches, temperature switches, timing relays and solenoid valves
 - * **Deceleration Methods:** plugging, electric and electronic braking, and dynamic and regenerative braking
 - * **Multi-speed Controllers**
 - * **Troubleshooting Techniques**
- Course begins September 14, 2024**
\$1,175.00 (plus books)

300-HOUR SYSTEMS TECHNICIAN CERTIFICATE PROGRAM

This certificate program will allow systems technician apprentices to complete the 300 hours of approved education required by the Commonwealth of Massachusetts Board of Examiners of Electricians in order to be eligible to sit for the Systems Technician Licensing Exam. A systems technician license is required to work on fire alarm, security alarm systems and access control.

This is a two course program

150-hrs each

Semesters begin September 2024

& January 2025

\$2,350.00 (plus books) PER 150-hr course

Discounts and Payment Plan Available

75 HOUR SYSTEMS CONTRACTOR COURSE

This certificate course is designed for the licensed systems technician who desires to sit for the Systems Contractor licensing exam. It includes an in depth coverage of the National Fire Alarm & Signaling Code and Massachusetts amendments, advanced theory, and the Business/Law manual. This course meets the Commonwealth of Massachusetts Board of Examiners of Electricians' requirement of the completion of 75 hours of approved education in order to be eligible to sit for the Systems Contractor licensing exam.

Courses meet:

Course begins January 29, 2025

\$1,175.00 (plus books)

Discounts and Payment Plan Available

75 HR BURGLAR ALARM, ACCESS CONTROL, CCTV

This certificate course covers the key aspects of the above listed systems. It covers the applicable codes, installation procedures, and the application of common system components.

Course begins September 12, 2024

\$1,175.00 (plus books)
